

# Annual School Report

*Deep Global School*

---

## 1. Academic Achievements

The academic year has been marked with consistent academic excellence across all grades. Our students have performed exceptionally well in board exams and internal assessments. Many students secured distinctions and were recognized for their subject-wise excellence in Mathematics, Science, English, and Social Studies. Regular assessments, remedial classes, and mentoring programs ensured holistic academic growth. Special commendation goes to the Class 10 toppers for securing above 90% marks.

---

## 2. Environment Education Initiatives

Deep Global School, through its active *Eco Club*, has been committed to instilling environmental consciousness among students. Key activities include:

- Celebration of World Nature Conservation Day and World Environment Day with tree plantation drives.
  - Cleanliness drives in and around the campus under the *Swachh Bharat Abhiyan*.
  - Workshops on plastic waste management and water conservation.
  - Creation of a *Green Corner* in every classroom with indoor plants maintained by students. These initiatives aim to build eco-conscious leaders for a sustainable tomorrow.
- 

## 3. Sports Achievements

Sports and physical development are integral to our curriculum. This year, our students brought glory by winning multiple medals at district and inter-school competitions:

- Our Kho-Kho team qualified for the Maharashtra State Level Championship.
  - In athletics, students won medals in 100m and 400m races at the Taluka level.
  - Our Physical Education teachers successfully completed the *Maharashtra State Kho-Kho Referee Examination*, which will further strengthen our sports training programs.
  - Daily yoga and meditation sessions and fitness activities have also been introduced to encourage physical well-being.
- 

## 4. Innovations

Innovation and creativity are core to our learning environment. Some of the initiatives include:

- Introduction of digital learning tools in classrooms through Smart Boards.
- Robotics lab has been started for class 1<sup>st</sup> to 10<sup>th</sup>.
- Science and Math project exhibitions encouraging student-led inquiry.
- A “Problem-Solvers Club” was launched to nurture critical thinking through real-world challenges.

- Student-led podcasts and newsletters showcasing creativity, current affairs, and school updates.
- 

## 5. PTA Activities

The Parent-Teacher Association (PTA) plays a vital role in the school's progress. Some key initiatives this year include:

- Monthly PTA meetings to discuss academic progress and behavioural growth.
  - Quarterly counselling of students and parents to **address academic, emotional, and behavioural concerns, enhance student well-being, and strengthen home-school collaboration for holistic development.**
  - Career counselling sessions organized in collaboration with parents from various professions.
  - Book bank formation and library up gradation through voluntary parent donations.
  - Active participation in sport activities organised by school and different sports associations.
  - Active support in organizing Annual Day and Science Fair events.
- 

## 6. Important SMC (School Management Committee) Decisions

The School Management Committee held quarterly meetings and made the following important decisions:

- Up gradation of lab infrastructure for better science education.
  - Appointment of additional counsellors for mental health support.
  - Introduction of skill-based workshops in collaboration with external experts.
  - Establishment of a complaint redressal mechanism for students and staff.
- 

## Conclusion

The year at Deep Global School has been one of achievements, growth, and progress. With dedicated staff, enthusiastic students, and supportive parents, the school continues to march ahead on the path of excellence in education, environment awareness, sports, and innovation.

We remain committed to our vision "**Empowering young minds through excellence in education to shape confident, compassionate, and globally responsible leaders of tomorrow.**"
